THE FUTURE OF PUBLIC SAFETY STARTS HERE

WHY ATTEND

*Join thousands of public safety leaders, law enforcement professionals, and industry innovators for a dynamic three-hour virtual expo focused on the technologies transforming modern public safety. Attendees will explore modern tools, real-world case studies, and practical solutions designed to enhance investigations, operations, officer safety, community engagement and more. This high-impact event brings together trusted experts and leading technology providers in an education-first environment **built to inform, connect, and inspire.***

- WATCH PROFESSIONALLY PRODUCED TECHNOLOGY SHOWCASES
- LEARN FROM REAL-WORLD AGENCY CASE STUDIES
- EXPLORE VIRTUAL VENDOR BOOTHS
- CONNECT WITH OTHER PUBLIC SAFETY PROFESSIONALS FROM ACROSS THE COUNTRY AND AROUND THE WORLD
- DISCOVER MODERN TECHNOLOGIES SHAPING THE FUTURE OF PUBLIC SAFETY

WHO SHOULD ATTEND?

- LAW ENFORCEMENT LEADERS AND COMMAND STAFF
- INVESTIGATORS, DETECTIVES, AND CRIME ANALYSTS
- FORENSIC AND LABORATORY PROFESSIONALS
- TECHNOLOGY DECISION-MAKERS ACROSS FEDERAL, STATE, AND LOCAL AGENCIES
- EMERGENCY MANAGEMENT AND OTHER PUBLIC SAFETY PROFESSIONALS

Our Host

Paul Butler

Paul Butler is an internationally recognized law enforcement leader and one of the most sought-after speakers in public safety today. With more than 27 years of experience, ranging from patrol officer to Chief of Police and Chief Deputy, he brings a rare perspective on leadership, decision-making, and high-pressure situations. Known for his energy, authenticity, and ability to connect with any audience, Paul delivers practical insights that resonate long after the event.
